A modern approach to classic cuisine

We are passionate, experienced and dedicated in giving you the “Wow” factor on your special day!

Our highly experienced team specialise in exquisite food, delicious drinks and a service that is professional and friendly.

We utilise the freshest finest ingredients that are locally sourced where possible to create sumptuous food. The menus in this brochure are a guide of dishes you could choose for your day however, we offer the flexibility for you to select from different menus or have a completely bespoke menu written around your requirements which will be quoted for on an individual basis.

All menus are brought to life by a superb team of chefs. Our chefs have worked for some of the worlds’ best hotels, top restaurants and outside caterers therefore you can relax knowing that our team can deliver your dream wedding.

We offer a free no obligation consultation and quoting service, along with a private tasting. This takes place at our purpose built commercial kitchen and tasting room in Faversham at Brogdale Farm. Tasting menus provide a ‘dress rehearsal’ for your special day, they enable you to sample your chosen menus and to create your overall look. We will talk you through every aspect of your wedding day to ensure nothing has been overlooked.

To complete your day, we offer a number of additional wedding services from helping to find the right venue or marquee company, suggesting a cake maker, a florist, and we can also arrange linen to fit with your wedding day colour scheme.

We offer everything from a bar, canapés, 3 course wedding breakfast, sharing wedding breakfast, spit roast, BBQ, grazing tables, dessert bar to entertainment and event management.

Environmental Responsibilities

We're a bunch of nature lovers here at Scott Anderson, so we're keen to minimise our impact on the planet. From seasonal vegetables to armfuls of just-picked herbs, our ingredients are fresh, thoughtfully sourced and of the very best quality. We also do our bit to minimise food waste too!

We believe we're paying more than lip service with a number of actions below;

- 🌱 We grow a lot of our own herbs at Brogdale therefore reducing the amount of packaging and transportation required
- 🌱 We use local suppliers for meat and produce as much as possible to reduce the carbon footprint
- 🌱 We recycle our cooking oil which is turned into biofuel
- 🌱 We use wooden canapé skewers and cutlery
- 🌱 Our takeaway boxes are from sustainable sources
- 🌱 The kitchen recycle paper, card, glass and plastic
- 🌱 We invested in a newer refrigerated van that is more economical and produces lower emissions
- 🌱 We limit the amount of printing in the office and what we do print we recycle and receive a receipt from the company we use to confirm how many trees we've saved
- 🌱 We email clients their quotes, invoices and menus therefore no paper is needed
- 🌱 We use receipt bank for invoices so that paper copies are not required at any stage in the accounting process
- 🌱 We changed our lights to energy saving lights
- 🌱 We now only purchase straws that can be recycled

The environment is high on people's agenda and therefore more and more prominent behind people's decision making on who they choose for their wedding, event or to represent their company.

Choose a company that values the environment.

choose Scott Anderson!
